JOTHYDEV'S
PROFESSIONAL
EDUCATION FORUM

Dear Friends,

With great pleasure we invite each one of you to be a part of the much awaited annual global diabetes educational convention - the biggest diabetes educational event in Kerala - 6th Jothydev's Professional Education Forum (JPEF) Annual Global Diabetes Convention to be held on 11th & 12th August 2018, organised by JPEF under the aegis of P. Kesavadev Trust in association with DiabetesIndia.

The theme of the 6th JPEF Annual Global Diabetes Convention is '**Diabetes: Fighting the Battle Together**'.

We will be introducing new learning styles this year, quite different from the conventional conference platforms with more than a dozen international faculty and hundred distinguished speakers. This excellent scientific event will offer modern medicine doctors, students, dietitians and allied healthcare professionals a memorable opportunity to interact, imbibe and implement them in clinical practice.

The contemporary Uday Samudra Hotel located at the famed beaches of Kovalam will serve as the convention centre, hardly 20 minutes drive from the airport. Located just 15 meters from the sea, Uday Samudra is an exclusive 5-star beach hotel-a destination by itself.

Comfortable accommodation is also available for the delegates at Kovalam's top-rated hotels like The Leela, Taj Cove, Uday Samudra, Turtle On The Beach and many more.

Join us, learn, get inspired, and together let us fight and win the battle of diabetes.

Yours faithfully,

DR. JOTHYDEV KESAVADEV
